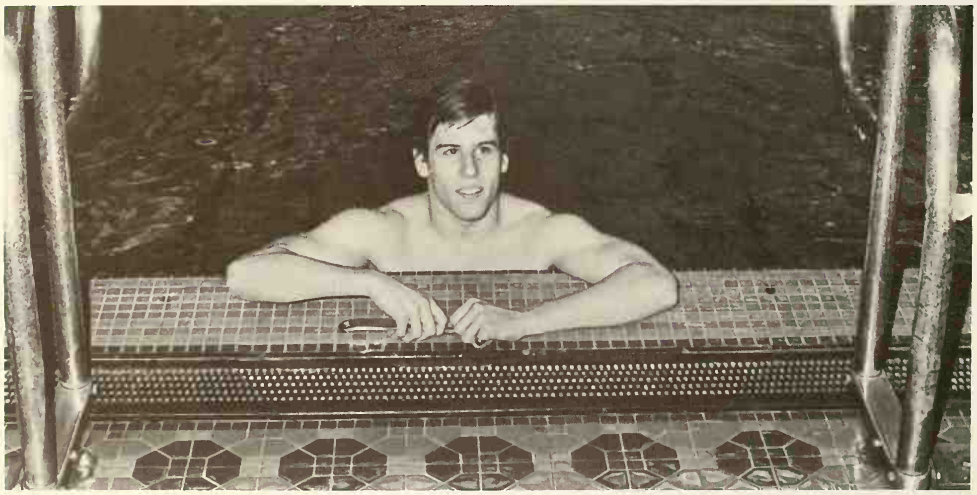
Prep Celebrates 1975



Budny's Victory

Following 26 grueling hours of great effort, Pat Budny waded ashore on Presque Isle, the first person to swim Lake Erie. Exhausted, yet exhilerated, Pat earned national recognition for himself, for the City of Erie, and, by extension, for Cathedral Prep. In response to his outstanding accomplishment, the *Literulae* proudly salutes this member of the Class of 1976 and records his feat among its pages for posterity.

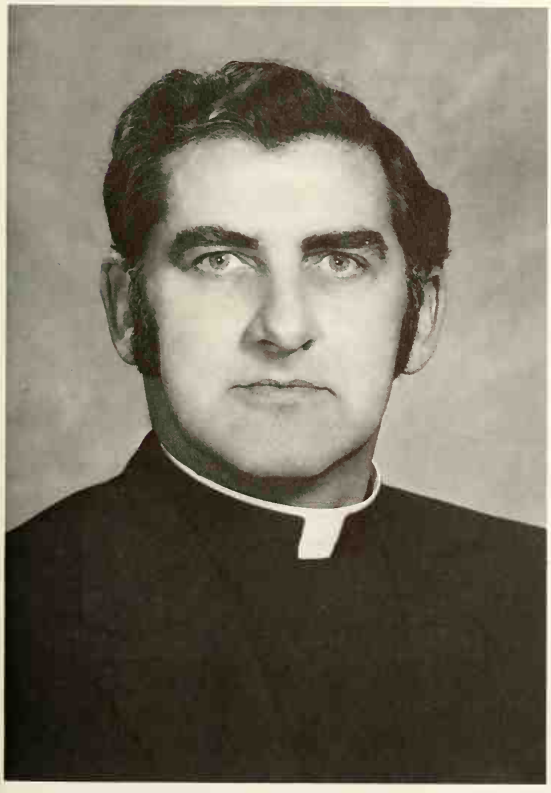
Bishop Alfred M. Watson Encourages Prep's Development

Bishop Watson is a frequent visitor to Cathedral Prep for all special events. It is not uncommon, however, to have the Bishop stop by and visit with the students and faculty. An alumnus, he has always displayed an especial fondness for the school and its personnel, and he continues to encourage the finest standards be maintained.



Headmaster Maintains Our Scholastic Excellence

In a dynamic educational institution, the role of headmaster is a most demanding position. Father John M. Dollinger meets these challenges and continues to maintain the highest educational guidelines for Cathedral Prep. Constantly alert to changing patterns of education, Father fosters growth and development of all aspects of the school, without relinquishing the traditional strengths of the school's moral and academic principles.

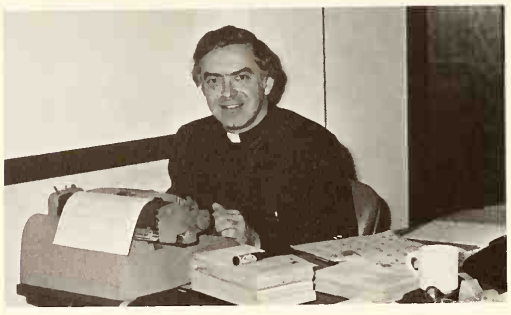
Rev. John M. Dollinger, M.A.

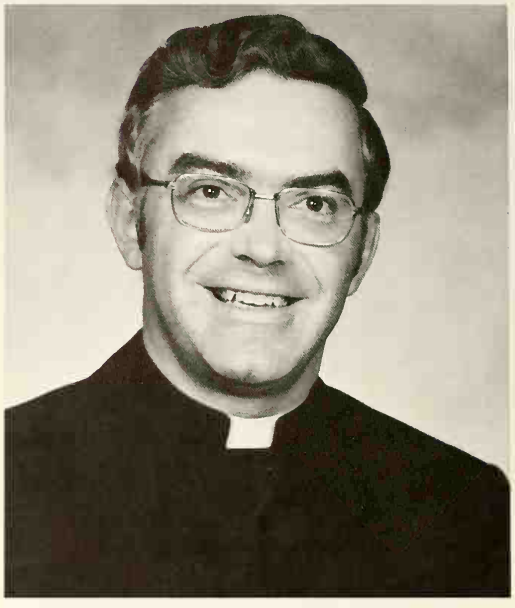
Assistant Headmasters Implement Regulations

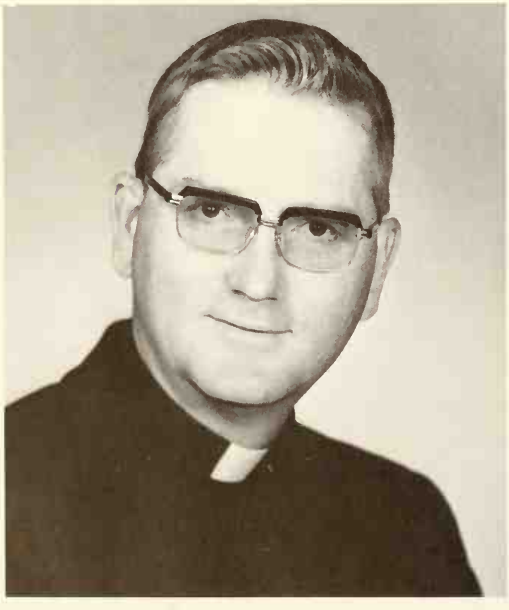
Fr. William E. Biebel, M.A.

Father Biebel serves in the challenging position of assistant headmaster and Dean of Studies. As the coordinator of all courses, he is responsible for retaining the academic quality of the curricula.

In addition to his administrative obligations, Father also moderates the National Honor Society and the three committees of Student Government.







Fr. John W. Swoger, B.A.

Father Swoger might aptly be called a true Renaissance man. As the Dean of Students, he discharges all disciplinary actions, coordinates all social activities, directs the yearly LITERULAE patron drive, and maintains the daily student attendance records. In addition to these duties, Father also serves as the advisor to the senior class.

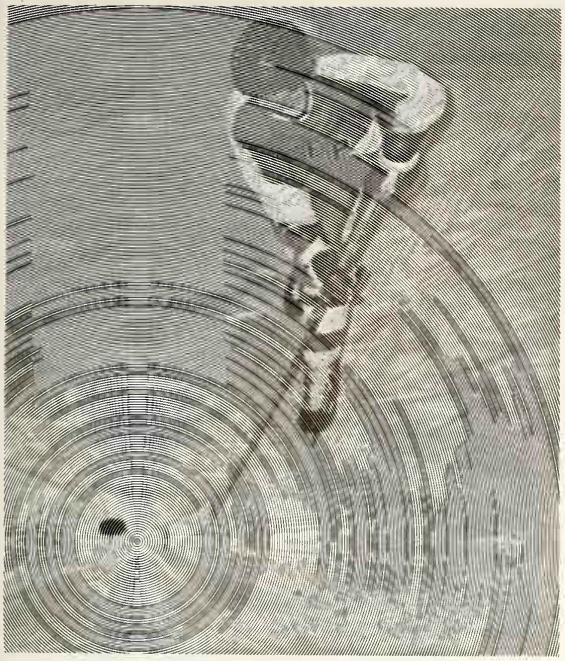
Activities



'Shades of Autumn' Provides a Memorable Weekend

Homecoming festivities for 1975 began Thursday, October 16, with an assembly to introduce the six queen candidates. Vying for the title of Homecoming Queen were the Misses: Jessica Barbaro and Andrea Wawrzyniak of Mercyhurst Preparatory School; Maura Healy and Michele Bernhardt from Villa Maria Academy; and Cathe Piorkowski and Sue McFarland representing St. Benedict Academy.

Because of inclement weather conditions during the game, the selection and coronation of the Queen was postponed until the dance on the following evening.

On Saturday night, the Homecoming dance took place in the school gymnasium. Amid the beautiful fall decorations, Miss Michele Bernhardt, escorted by Michael Madonia, was crowned Cathedral Prep's 1975 Homecoming Queen. The dance was a fine conclusion to a memorable weekend.

Intramural Teams Struggle to Win

Basketball

The basketball program in intramurals provides fierce competition for the players. Indeed, the skill and dexterity displayed in the games is better than that of many varsity teams.

Soccer

This year, intramural director Mr. Lawrence Krasinski added soccer to the list of competition. Needless to say, it was an immediate success! Teams from every class were fielded for the grueling sport. The senior team of "Hennessy's Heroes" captured the championship with an undefeated record.

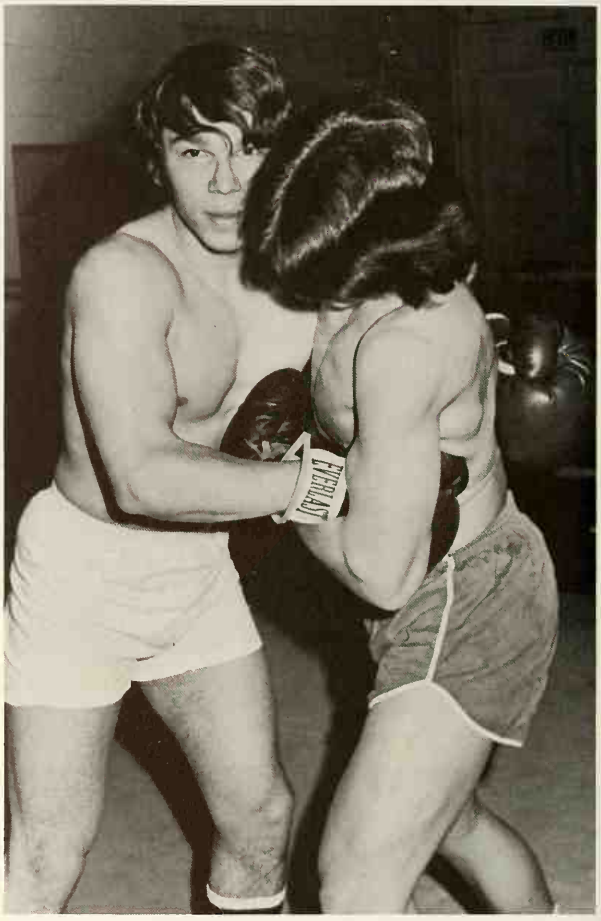
Team Champions: M. Hersch, D. Hennessy, M. Rahner, T. Means, P. DeRaimo, M. Esser, B. Glowacki, R. Herzog, W. Fessler, D. Pace.

Football

Football again enjoyed great popularity within the intramural program. Over one hundred students participated in the competition. "The Footballbusters" won this year's laurels with a perfect season's record.

Team Champions: D. Hennessy, M. Holland, M. Madonia, M. Rahner, P. DeRaimo, M. Esser, B. Glowacki, R. Herzog, W. Fessler, D. Pace.

Boxers Square-Off On St. Pat's Night



The Fourth Annual St. Pat's Night Boxing Tournament again provided thrills and excitement for local fight fans. Preparing months in advance, the young men received instruction and training from Mr. Mike Pistorio and Mr. Phil Rose. Two top bouts of the evening were those between Ron Achille and Mike DeBello and Jeff Wasielewski and Russ DiCarlo. A sell-out crowd enjoyed a fine evening's entertainment.

A new activity at Prep this year was the formation of a hockey team for interested students. Under the guidance of Mr. Robert Corritore, the team was a completely voluntary effort. In only their first season, the squad upset highly touted McDowell and Tech teams. The skaters were led by seniors Mark Granahan and Gregg Westover, and sophomore captain, John Trucilla.

Miller's "The Crucible"

During the spring, the Prep Drama department presented Arthur Miller's classic drama, *The Crucible.* Centering around the infamous Salem witch trials of early New England, the play is an analogy of the political "witch hunts" of the 1950's.

Lead roles in the presentation were performed by Michael Tronetti and Thomas Hofer. Female leads included Kim Rinke and Ann Pilewski. The play was directed by Mrs. Aniko Walker of the English department. The presentation was well received by the student body and general public.

Cheerleaders Boost School Spirit

An integral part of the athletic program, the Cheerleaders are the most vocal of the Prep fans. It is their responsibility to lead the student body in cheers at pep rallies, football and basketball games, and the many other athletic events. An added attraction this year was the live "Ram" mascot at home football games. The Cheerleaders are under the direction of Mrs. Aniko Walker.

Religious Activities Fulfill Spiritual Needs

Dedicated to the Judeao-Christian tradition of moral responsibility, Prep has always given primary emphasis to the dimension of God in each young man's development. To this end, the religious activities of the curriculum are first and foremost.

Each Wednesday, one of the four class levels is provided the opportunity to worship God in the holy sacrifice of the Mass. To prepare, the students are also given the opportunity to share in the sacrament of Penance.

This year, in keeping with the guidelines prepared by the American Council of Bishops, this procedure was changed to afford a Penance celebration conducted in the bandroom. In this format, priests of the faculty and visiting confessors employ scripture readings, brief homilies, and discussion to enhance each student's reconciliation with God.

Father Dollinger and priests of the faculty celebrate Christmas Mass for the student body.

Tough Opposition

Injuries to key personnel forced new Head Coach David Wenrick to play several inexperienced underclassmen. With the return of only four starters, Cathedral Prep underwent a rebuilding year.

Relying heavily on the leadership of seniors Mark Driscoll, Tony Bozich, and Mike DeBello, this year's squad finished in City Series strife with a 2-2 record. Additional strength was provided by seniors Mark Wilwohl, Rich D'Andrea, Mark Maloney, Ray Schlaufman, Marty Beck, Mike Tomczak, Joe Monocello, and Pat Masterson. Driscoll and Wilwohl were also awarded First Team All-Metro honors.

Next year, eighteen lettermen, including All-Metro performers Tim Dougan, Fran Mifsud, and Mike Feldman, will be returning. This should enable Prep to repeat as a perennial power.

Junior Gridders Blitz Opponents

Combining good teamwork and high spirit, the Junior Varsity football team, under the direction of new Head Coach John Pikiewicz and assistant coach David Kordich, ran over all opposition to capture the City and Metro titles. The team completed a 9-0, undefeated season.

The running of Mike Tighe and Mark Saunders and the blocking of Stu Donohue and Larry Serafin combined with the clutch defensive performances by Guy Anthony and Jeff Will indicate an awesome varsity team for next year.

"Totally New" is the most apt phrase to describe the 1975 Freshman Football Team. Supplied with anxious, young talent, first year Head Coach Mr. Jeff Davis and his assistant, Mr. Russ Felix, led the squad to a 4-0 ledger. Outstanding performances by Ron Lusczak, Tim Steenberge, Marty McCormick, and John DiPre insure success for future Prep football teams.

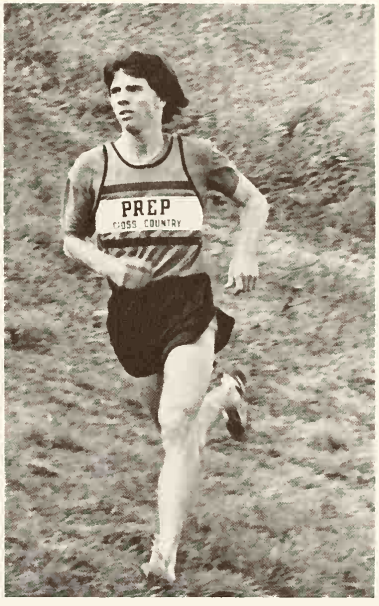
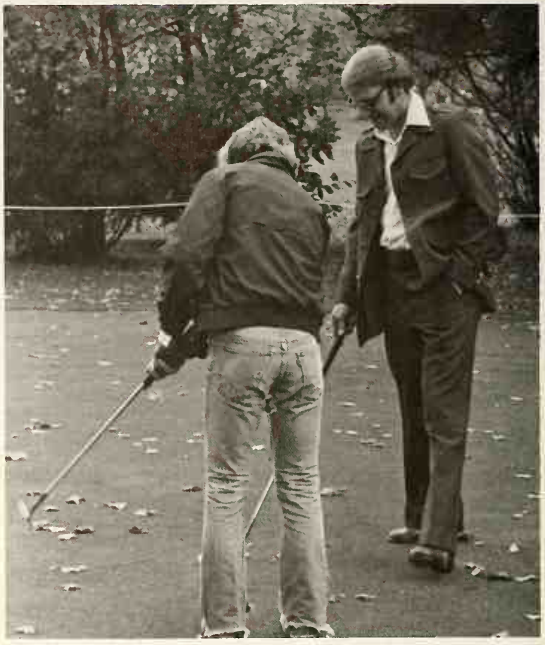
Winning its first Section and District championships, and capturing its first City Series crown in five years, this year's Cross Country team compiled its finest record in Prep's history. Despite inexperience and a small turnout, the Harriers completed an overall 13-1 dual meet record and placed among the top five teams in the McDowell, Gannon, and Hilton Invitational meets.

Under the direction of second year Head Coach Ronald Sertz and assistant coaches Mr. Brzezicki and Father Przepierski, the runners were lead by "the Senior 5" of Dave Hennessy, Jim Garfield, Dave Grab, Mike Holland, and Joe Antoun. Junior Jim Izbicki and Freshman Tom Held aided immensely in numerous victories. Hennessy and Garfield captured several first places in Dual Meets, and, along with Izbicki and Held, placed in the top ten at the Section and District Championships. Garfield also set a school record with his seventeenth place in the State Championship meet at State College. The team finished thirteenth in the State competition.



Harriers Run Rampant

Golfers Drive To Championships



Domination was the key as this year's Golf Team aced their way to the City, Metro, and Section championships. Displaying the fine talent and ample experience of seniors Bill Fessler, Dave Cousart, Gary Murray, and Rick Carlotti, the linksters compiled a 14-1 match record. Junior Mike Kosinski and senior Bill Bucceri gave additional strength to Coach Jerome Pohl's fine team.

Highlighting the season was the selection of Fessler, Cousart, and Carlotti on the All-Metro Team. Fessler also placed 40 at the State Championship match at State College, Pennsylvania. With four lettermen returning and a fine underclass talent, next year's season should be just as successful.

Poloists Dunk Foes

Forced to battle its way out of a three-way tie with Vincent and Tech, this year's Water Polo team repeated as the City Champions. Senior All-City performers Bill Dailey, Tom Kaiser, Pat Budny, and Jim Banaszek led the charges of head coach John Vrana and his assistant Thomas Semple to an 8-2 overall record. Next year, with the return of several lettermen headed by All-City selections Tom Dailey, Pat Doyle, and Pat Maloney, the poloists should repeat as City champions.

Varsity Cagers Face Difficult Season

Enthusiastic spirit and ambitious effort characterized this year's Basketball Team. The accurate shooting of Bill Fessler, Dave Cousart and John Gruelich, along with skillful ball handling by Rick Bordonaro and Fran Mifsud, enabled the cagers to compile victories over McDowell, East and Tech. Bill Bensur and Bob Kraus aided with their consistent rebounding. Jim McCormick, Jim Heberle and Dan DiDionisio provided necessary bench strength.

The strong potential shown by the underclassmen on this year's team and their ability to play together points to future victories for the club.

Junior Roundballers Display Strong Potential

Finishing with a glossy 17-1 record the junior varsity basketball team captured yet another city and section title. Many potential varsity players competed on this year's squad. Included among them were high scorers Dan Sculley and Jeff Szumigale, rugged rebounder Vic Benoit and guards Barry Roach and Hank Bujalski.

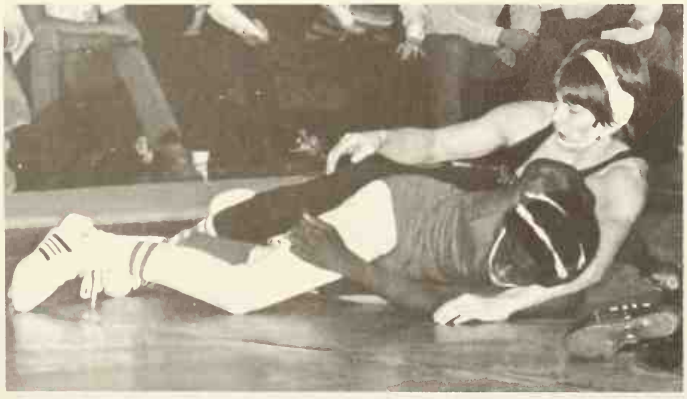
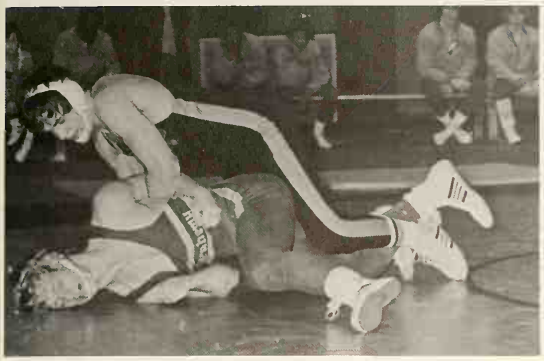
Under first year Head Coach Mr. David Kordich, the Freshman Basketball Squad drove their way to a fine 14-2 season. Although unable to participate in an organized league, the frosh cagers were champions in their own right. The all around play of Mike May, shooting of Gary Metzgar and ball handling of Joe Nolan and Jerry McCormick were keynotes to the team's success.

Frosh Finish With Fine Record

Varsity Grapplers Pin Opponents





Leadership exhibited by the senior members of the squad enabled the Varsity Wrestling team to complete an outstanding season. Tim Means, Joe Monocello, Mike Rahner, and Jim Viveralli finished four year careers by pacing the team to an 11-2 record and another City Championship. Also, seven Rambler grapplers qualified for District competition.

Sophomore Jeff Scibetta and junior Dan Borgia achieved outstanding individual match records. Fine performances by John Fessler, Mike Piotrowski, and Tim Dougan further contributed to the team's success. The loss of only four seniors from the squad gives promise for a fine season next year.

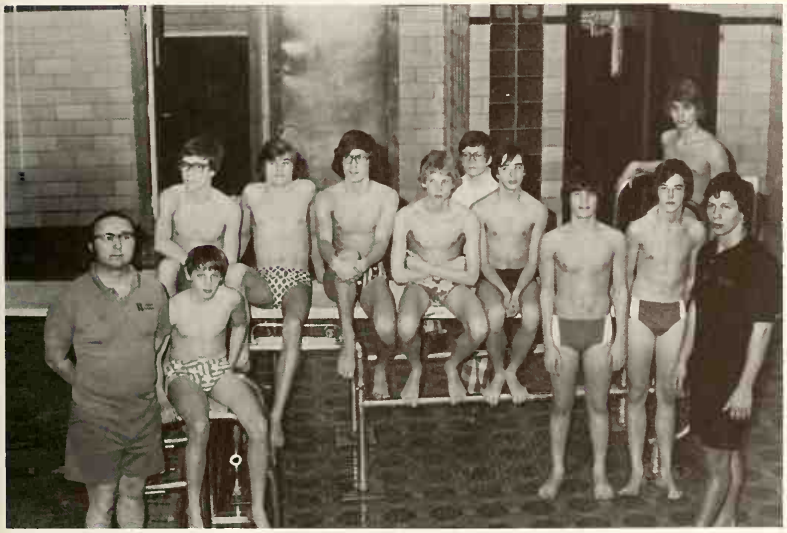
To Winning Season

Several underclassmen were called upon by coaches John Vrana and Thomas Semple in completing another winning season. A contingent of 15 underclassmen was led by seniors Pat Budny and Bill Dailey to second place finishes in the City and Section competition. High point of the season was the participation of the Medley Relay team of Budny, Tom and Bill Dailey and Mike Robie in the State finals at Penn State University.

Next year, with such returning performers as Dailey and Robie, Pat Maloney, Ed Verdecchia and Dana Jones, the swimmers should dominate all City and Section competition.



(Front) Mr. T. Semple - Coach, G. Carnicelli, M. Engle, H. Holland, Mr. J. Vrana - Head Coach. (Back) D. Schodt, C. Rowane, J. Albertson, P. Francis, K. Holland, L. Holland, S. Repasy.

Senior leadership and three returning All-Metro performers led a huge array of talent as the 1976 Prep Baseball team completed a successful season.

Outstanding play in the infield by Mike Nathal, Tom Kaiser, Gary Carmosino, John Gruelich, and Tim Armanini, aided by clutch performances by outfielders Mark Wilwohl, Joe McCormick, Mark Esser and Rick Bordanaro provided needed confidence to encounter tough opposition from Tech, New Castle and Cuyahoga Falls. Additional strength was provided by Pat DiFucci, Ron Achille, Tom Kirkpatrick, and Rick Stacey.

Efforts For Success

Distancemen

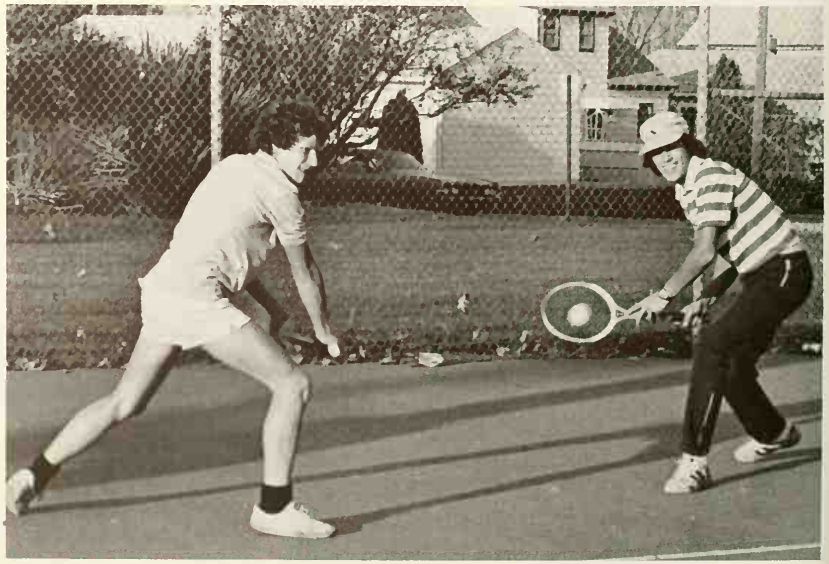
(L. to R.) C. Bohrer, T. Held, R. Heintz, M. Lyons, W. Weisczyk, M. Forish, J. Yount, M. Kraus, M. Holland, D. Hennessy, Mr. R. Sertz-Head Coach, J. Garfield, R. Polanski, J. Izbicki.

The Distancemen proved to be the major power behind the success of the Track and Field team. New Head Coach Ronald Sertz was able to rely upon Dave Hennessy, Jim Garfield and Jim Izbicki for many needed points in the 880, mile and two mile events.

Springers Tony Bozich, Bob Miller, Eric Roll and Chip Quadri consistently finished among the top three places in the 100, 200 and 440. Pole vaulters John Dovishaw and Tim Clancey, high jumper Steve Chizewick and weightmen Mark Driscoll, John Hall and Marty Beck added depth to the squad. Next season, with many underclassmen returning, the team should have another successful year.

Netters Volley To Successful Season

(Front) M. Fuhrman, D. Mooney, J. Simon, Mr. J. Pohl-head coach. (Middle) J. Brzozowski, P. Zadeh, F. Zadeh. (Back) M. Kelley, J. Patton, J. Scolio.



In keeping with tradition, this year's tennis team again completed an excellent season. Due to limited competition in the city, new head mentor Jerome Pohl was forced to send his charges out of town to meet stronger opponents.

The consistent play of seniors Mark Fuhrman, Jan Brzozowski, and Dan Cohen and junior John Patton contributed greatly to the team's success. With the loss of only three seniors, next year's team should repeat another outstanding performance.

Organizations

Activities Committee

Planning, organizing, and conducting all student activities is the responsibility of the Activities Committee of Student Government. This year, the members added numerous new assemblies to the school year as well as the traditional Homecoming, Prom, mixers, and movies. The group, along with Father John Swoger, is to be commended for its fine efforts.

Problems and Discipline Committee

The Problems and Discipline Committee deals with all forms of difficulties the students encounter. It then tries to alleviate these situations. Also, the committee represents the student body in various discipline situations. It provides the students with the opportunity to govern themselves within the limits of the school's regulations.

Government

Academic Committee

The major objective of the Academic Committee is to enrich the curriculum of the school. To this end, the committee has expanded the tutoring program for those requiring help in their studies. It has also made numerous recommendations for additions to the academic and elective courses.

National Merit Students

The National Merit Association, through its Scholarship Qualifying Test, selects students to receive scholarship aid based on intellectual performance. This year, despite a decline in performance throughout the country, Prep maintained its high reputation with two semi-finalists and fifteen commended students. Among those receiving recognition were Mark Helsley, Scott Abbate, James Satrape, Michael Nathal, and Jeffrey Wasielewski.

Cathedral Prep Band

Prep's 1975-76 Band was one of the most active and innovative in the school's history. Beginning its work last August, the members initiated their program with a week's Band Camp at Camp Notre Dame. This permitted intensive rehearsal and marching drill in preparation for the football half-time shows. In addition to its performances at all the home games, the group also travelled to the Prep/Beaver Falls game.

But the Band's hard work was not limited to Autumn. To expand its program and its travel, and to procure new instruments, the members conducted fund drives, candy sales, and "mixers" and raised in excess of one thousand dollars. This spirit and zeal is best exemplified in the growth of the band to 58 members.

In other activities, the Band has performed before several grade schools as well as St. Benedict and Villa Maria Academies. A trip to Penn State concluded the year.

National Honor Society

The National Honor Society is a service-oriented organization whose members assist the administration in various activities. Directed by Father William Biebel, the members are chosen according to their scholastic ability and achievement. Membership in the society entitles the seniors to apply for many scholarships funded by the national organization.

Seniors

Juniors

Sophomores

Model U.N.

The Model United Nations is a unique organization that provides interested students with an opportunity to understand and to perform the functions of International Government depicted by United Nations policy. For the first time, members of the Sophomore Class were permitted to participate. Once again, Mr. Thomas Kalista served as faculty moderator.

A delegation of 15 members represented Yugoslavia at the 1975 Model U.N. Assembly at Gannon College. They were successful in getting four bills passed by the assembly. During the convocation, Senior James Satrape was awarded honors in the essay contest.

Because of its fine performance at Gannon, the delegation also attended a regional Model U.N. Assembly at Buffalo State College in March.

Rifle Club

This year's Rifle Club, under the direction of Mr. Lawrence Krasinski, is one of the most active organizations at Prep. Each Saturday morning, members meet in the indoor track to shoot and improve their marksmanship skills. Through their meetings, the members acquire safe gun handling skills for the proper use of firearms.

Bowling Club

Every Monday, members of Mr. Wojtkielewicz's Bowling Club meet and compete in their league for individual titles. The highlight of the season is the banquet where the outstanding bowlers receive trophies.

Chess Club

Participating in tournaments in Cleveland, Pittsburgh, and central Pennsylvania, the Chess Club has realized a superiority to other teams in this locale. With Mr. Richard Howells as moderator, the club's successful year culminated with Prep's championship in the area high school tournament.

Latin Club

Following several years of inactivity, the Latin Club was reorganized by its moderator, Mr. Gerald Trambley. During Easter vacation, eight members of the club traveled to Rome to investigate the origins of the Latin language and view many of the historical sites of the Italian-Latin culture.

French Club

"Au secours!"

"Je vous le promets — mais sauvez-mois!"

Students from the French Club "ham it up" for the other members of the club. Under the aegis of Sister Regina Marie and Mr. Thomas Finegan, these students enact a French Farce of the Middle Ages, "Le Cuvier," thematically similar to *The Taming of the Shrew*.

German Club

The German Club has grown in numbers and enthusiasm under the direction of Mr. Rolf Daeschner. As part of its agenda this year, the members met in a "showdown" with the French Club in a war game. They defeated the Frenchmen in a drawn out simulated battle. In other meetings, the members discuss the language, culture, and heritage of the German peoples.

Bike Club

Despite a small membership, the Bike Club is one of the more enthusiastic organizations at Prep. The club, directed by Father Humenay, cycled to Jamestown, New York, and Edinboro. The major trip, though, will take place this summer when several members will travel to Florida. The proposed trip will require much stamina of the boys as well as a goodly supply of spare parts!

High Adventure Club

The High Adventure Club was another in a series of new organizations begun this year. Given impetus by moderator Mr. Jeff Davis, the club gives its members the opportunity to make back-packing hikes and trips, and camp-outs. The members seek only to enjoy nature and the outdoors.

War Games Club

Members of the War Games Club gather weekly to test their skills in simulated military battles. The boys assume varying roles from General Robert E. Lee to Field Marshall Rommel. Using maps and miniature equipment, the games require the students to learn military tactics and strategy. The club is supervised by Mr Roy Fronzaglia.

Photography Club

Under the supervision of Mr. Richard Howells, the Photography Club's major project was the preparation of a color slide program of the Prep community. The members took pictures of the many classes, activities, and facilities of the school. The program will be used for public relations.

Ski Club

Members of the Ski Club travel weekly to the courses and slopes at Peak 'n Peak Ski Lodge. There, novice skiers may receive lessons and instruction, while the more-advanced skiers tackle the steeper runs. The largest club at Prep, the organization is moderated by Fathers Robert Craig and Mark Nowak.

Stage Crew

Members of the Stage Crew are responsible for the organization and set-up for all assemblies and stage productions. In addition, the group oversees the use and maintenance of the audio-visual equipment. Directed by Father Gerald Koos, the boys give a professional caliber to all stage productions.

Forensics

Debate

Original

Extemp

One of the most active organizations and well-established programs at Prep is Forensics. Under the direction of Father Raymond Hahn, Father Mark Nowak, and Sister M. Virginia, students interested in improving their public speaking techniques enter into competition.

The debaters must acquire skills in both speaking and research since they are required to be able to argue both sides of a topic. In original oratory, students deliver a speech which they have written. In extemporaneous speaking, contestants are given 20 minutes to prepare a talk on a random topic.

The Forensics contestants have performed very well this year in competition. The debate team, especially, has won numerous tournaments and entered the state finals at Penn State University.

Jazz Band

Directed by Mr. Roy Fronzaglia, the Jazz Band is a completely voluntary organization of young musicians. The boys are motivated by performing the type of music they enjoy most. The band has performed this year at rallies and basketball games.

Teenage Action Club

The newly-formed Teenage Action Club has become an exciting activity for the entire Erie youth community. Introduced and directed by Father Michael Barletta, the club is comprised of students not only from Prep, but from all the Catholic schools.

Primarily, the club attempts to foster an awareness among high school students that they are a part of a community greater than the high school community. Thus, many of its activities are directed at aiding those less fortunate. Secondarily, the club serves as a social outlet for its members. This year, the club has assisted the Gertrude Barber Center, and the March of Dimes.

Ping Pong Club

At the request of many interested students, a Ping Pong Club was initiated this year under the aegis of Mr. Thomas Freeman. The club meets weekly in round-robin competition and provides much enjoyment. Although there are many skilled players, the acknowledged master is Mr. James Freeman of the math department.

The RAMBLER Staff

The RAMBLER staff continued the strong tradition of producing a fine high school newspaper. As the year progressed, each issue improved in quality of both content and design. More graphics and photos were used in the paper, and the "personal" columns were expanded. More coverage was also given to student features of a non-academic content. The goal was to publicize the many varied hobbies and activities of Prep students.

In addition, before relinquishing its responsibilities, the senior staffers resumed the publication of a six page issue for March. Despite the fact that there will be only four students publishing the paper next year, the RAMBLER is expected to maintain its excellent standards.

Literulae Staff

Amid the casual atmosphere of the journalism room, the 1976 yearbook staff combined imagination and effort to produce this year's copy of the *Literulae.*

Deadlines came all too quickly, photos were lost, and preliminary sketches were frequently misplaced. Yet, despite these frustrations, the staff completed a very professional and original edition. The handsome leatherette cover embossed with the school's medalion immediately identifies the book. The flowing line urges the reader to discover its contents.

This year's edition of the *Literulae* has attempted to record that intangible essence known as a "school year." It is most difficult to write about the peculiar characteristics which identify a school, but it frequently can be captured through photographs. It is hoped that the 1976 *Literulae* has accurately depicted those people and events which have made this year a memorable one for the Prep community.
